

BIATHLON BC HOSTING POLICY

FOREWARD

Biathlon BC (BiBC) is the provincial governing body for the sport of Biathlon in BC under the jurisdiction of Biathlon Canada. This document is the BiBC policy for hosting Biathlon BC Cup and Biathlon BC Championship events.

Biathlon BC Cups and the Biathlon BC Championships are the highest level of provincial activity in Biathlon. Accordingly, they must be well organized to a standard that will provide uniformity in competition across the Province of BC, and provide a seamless transition for all involved to national and international levels.

BiBC as a Provincial Sport Organization is responsible for conduct and standards in Biathlon in the province; therefore all hosting organizations and their organizing committees must ensure the aforementioned events conform to the stipulations of this Hosting Policy.

1.1 PURPOSE

This Policy shall apply as fully as possible in principle and spirit. Upon approval by the BiBC Board, the application (in accordance with Appendix A) by a hosting organization to host a Biathlon BC Cup becomes the agreement by which the host organization will conduct the Biathlon BC Cup according to this Policy.

The hosting organization must establish an Organizing Committee (OC) to prepare and conduct the event or competition.

The assigned Technical Delegate (TD) is the agent of BiBC who will administer and interpret this Policy for the event. The OC and competition committee (CC) must work closely with the TD on all aspects of the events after the naming of the TD.

1.2 RULES

International Biathlon Union (IBU) rules shall apply as fully as possible. Biathlon Canada rules shall apply for classes not covered in IBU rules.

Rules for the specified classes in Appendices B and C are approved by BiBC and shall be used.

1.3 INTENT AND NATURE OF EVENTS

The Biathlon BC Championships are intended to be held annually and provide a forum to name the Biathlon BC Champions in each class and type of competition.

The Biathlon BC Cups provide a forum province-wide for the whole competition season for all levels of competition. An accumulating point system functions to identify season winners. These events may be used to select a team for the National Championships, other Provincial teams, training groups or squads.

1.4 SANCTIONING

The Biathlon BC Cups and Biathlon BC Championships are under the control of BiBC. No event held in BC may be so titled nor may a variation of the above names be used unless approved by BiBC.

1.5 SANCTION FEES

The hosting organization shall pay a sanction fee of \$500 for being granted the hosting right. The sanction fee will be deducted from the competition registration fee.

1.6 ELIGIBILITY TO HOST

Any BiBC member club in good standing is eligible to apply to host an event. An application as per Appendix A should be emailed to the BiBC Administrator.

1.7 EVENT FREQUENCY AND TIME FRAME

The BC Championships are to be held annually in February or March. Normally, the Biathlon BC Championships will be the last two competitions in the Biathlon BC Cup series. The location of the BC Championships will, if possible, alternate between the North and South on alternate years (mid line = 100 Mile House), but may be varied in years in which the BC Winter Games or other events that are not scheduled annually take place.

A minimum of three Biathlon BC Cups shall be held, distributed as to enable access from all areas of the Province actively involved in the sport. As there is considerable travel time and cost involved in attending, every effort will be made to ensure equitable access to the minimum number of these events necessary to score points for the series aggregate score.

2.1 CLASSES OF COMPETITORS

All competitor classes as listed in Appendix B shall be offered in each Biathlon BC Cup competition.

2.2 TYPES OF COMPETITION

Six types of competition are authorized: Individual, Sprint, Pursuit, Mass Start, Relay and Mixed Relay.

The types of competition at a Biathlon BC Cup shall be determined in consultation with BiBC and the assigned TD.

Recommended distances and shooting bouts for classes and competitions not covered by IBU or Biathlon Canada rules are listed in Appendix B. Special rules for penalties for Junior Boys/ Girls and younger are listed in Appendix C.

3.1 INVITATION

The OC shall prepare a draft competition invitation for the TD's review and approval. The OC shall work closely with the assigned TD on the competition details. After the invitation has been approved, the TD is to email the approved invitation to the BiBC Administrator and

the BiBC VP Administration for posting on the website a minimum of four weeks ahead of Biathlon BC Cup events and five weeks ahead of Biathlon BC Championships.
