

January 2020

Coach Development Committee

The purpose of the coach development committee is to facilitate the development of NCCP biathlon coaches throughout the province.

Committee Structure

- Chaired by the Vice President – Administration, with 2 to 4 members appointed by the board
- Members will serve a one year term which expires at the annual general meeting
- Members must be registered with Biathlon BC and must be NCCP Certified biathlon coaches.

Responsibilities of the Committee

- Maintain a list of active coaches, coach developers and master coach developers in the province and their certification level
- Create a strategic plan to ensure sufficient number and distribution of certified coaches and coach developers in the province
- Liaise with club coaching representatives to identify candidates for Competition-Introduction, Competition-Development, Learning Facilitator and Evaluator and Master Coach Developer workshops
- Liaise with the club coaching representatives to organize Community Coach workshops
- Organize Competition-Introduction, Learning Facilitator and Evaluator workshops
- Manage the financial administration of coaching workshops with Biathlon Canada and the organizer
- Develop and administer the coach development subsidy program
- Report to the Operations Manager on completed coach workshops
- Other duties as assigned by the Board
