WELCOME

On behalf of Biathlon British Columbia, the Biathlon Organizing Committee at the Caledonia Nordic Ski Club welcomes biathletes and support teams to the 2023 Biathlon BC Championships.

Building on the club's experience hosting the 2022 Canadian Biathlon Championships, we are excited to host you at our venue in Prince George, B.C. Prince George is situated at the confluence of the Nechako and Fraser Rivers, a geographic and cultural center in the heart of the traditional territory of the Lheidli T'enneh First Nation.

The Otway Nordic Centre, operated by the Caledonia Nordic Ski Club, lies on the south slope of the Nechako River about 5km upstream of the confluence. With its north-facing aspect, athletes can anticipate the February days to have cool mornings with the temperatures likely staying below 0C throughout the day.

While unofficial training begins on February 24th, you are welcome to come earlier and explore the 55km of trails under the lights or in the sunshine! Contact the rental office (250-564-3809) to make arrangements for ski passes and use of the range. To use the range prior to Friday, February 24th, you will be required to identify a PAL-carrying Range Safety Officer for your team and all people using the courses will be required to have a day pass.

The Organizing Committee is working hard to provide a terrific experience for the athletes and hopes all the BC Championship guests will feel welcome at Otway. We wish the best of luck to the athletes and look forward to meeting all of you in February 2023.

Happy trails,

John Neumann
Competition Lead
