

### **Calling all biathletes born in 2009 or 2010!**

If you were born in 2009 or 2010, you are eligible to try out for the BC Winter Games in 2024! Join other racers your age from communities throughout British Columbia for a weekend of biathlon competition and fun. The BC Winter Games is a multi-sport event that happens every 2 years. Athletes from around the province will compete in 17 different sports in the host community of Lhtako Quesnel. The BC Games society provides transportation to/from Quesnel, along with meals and accommodations for the duration of the event.

BC Games is unique in that racers will represent 8 zones - Kootenay, Thompson-Okanagan, Fraser Valley, Fraser River, Vancouver Coastal, Vancouver Island and North Coast, Northwest and Cariboo/Northeast. Telemark is one of the clubs in Zone 2. 4 biathletes from Zone 2 will form the Zone 2 team. The team will be comprised of the top athletes from our zone who qualify at the Zone 2 BCWG trials. BC Games also has a Wildcard system for ADDITIONAL athletes to qualify, but you'll need to attend the trials in your zone to be eligible!
