

### **Biathlon BC No Fluoro Wax Policy**

1. This policy applies at all Biathlon BC sanctioned events, including Biathlon BC Cups, the Biathlon BC Championships, U13 Championships, and the BC Winter Games.
2. All fluorinated wax products are prohibited for use to prepare skis for competition. This includes Pure Fluoro, High Fluoro (UHF and HF), Medium Fluoro (MF), Low Fluoro (LF), and similarly fluorinated glide waxes, powders, pucks, blocks, liquids and other applications.
3. Teams and staff participating in Biathlon BC sanctioned events must refrain from possessing, applying, using, selling, giving-out or trading any products containing fluorocarbons during the event.
4. The use of hand structure on skis is permitted.
5. At events where Biathlon BC sanctioned and Biathlon Canada sanctioned competitions take place at the same time, Biathlon Canada's wax policy shall apply to all categories that are sanctioned by Biathlon Canada.
6. This policy will be self-governed by all coaches, technicians, parents and athletes.
