## **Competition Information**

Biathlon BC's U13 Championships aim to introduce young racers to the excitement of biathlon. It is a fun-based weekend filled with individual and team-based challenges where young biathletes can test their skills against competitors from across the province. Saturday events will be skill-based events, testing the skiing, marksmanship and the combined skills of each competitor. Additionally, each competitor will contribute to Biathlon BC's Club Challenge Award. Sunday will introduce athletes to an age-appropriate official biathlon event.

### **Saturday AM: Biathlon BC Challenges**

Challenge 1: Ski Cross – Athletes will race across a fun course that consists of a variety of obstacles as quickly as possible.

Challenge 2: Precision Score - Each athlete will take 10 shots on Ecoaims and their precision score will be recorded. The goal is to have the highest score possible.

Challenge 3: Biathlon Criterium – Athletes will have a set time to complete a set course as many times as possible.
