Rules

This is a regional event. Specific rules apply:

- Competition classes, format, distance and shooting sequence are adapted from the BIBC 2025 Hosting Policy.
 - Final competition classes and distance will be based on entries. Classes may be mixed.
- Team awards will be based on points accumulated during the tour.
- Each team is responsible for resetting targets and tracking penalties. The tracking and application of penalties will be based on the honour system.

Eligibility to Enter

All athletes participating must be registered participants with Biathlon Canada

A Day licence is available for participants not registered with Biathlon Canada. A day licence is required for each single day of a biathlon related activity, and an individual may only obtain up to two day licences per season. Day licences are available online through Biathlon Canada – Tryout Licence ([Biathlon Canada - Membership](#))

Competitions

Date	Locations	Competition Format	Notes
Saturday, March 14, 2026	Quesnel	Modified Sprint Fun ski event after lunch if snow conditions are suitable.	Participants come in costumes and the team with the most or best costumes will get extra points.
	Prince George	Modified Relay	Mixed teams – and we mean mixed! Expect the unexpected!
Sunday, March 15, 2026	Vanderhoof	Modified Mass Start with short distances and penalty loop. Several heats if necessary.	A biathlete's favorite!
	Burns Lake	Modified Relay with 0 (zero) extra rounds per shooting bout. There will be a penalty for missed targets – it's more fun not knowing what it is yet!	Mixed Team Relay. The Sasquatch has started doing trail maintenance – beware!

Classes of Competition

The competition classes may be mixed and are described below.

Competitors may choose an older or younger category for the entire event.

Teams with EcoAim users must ensure rifles and targets are accompanying competitors to each venue.

All distances listed below are approximate.

- We want to keep the distance as close as possible as those athletes would use in a BC Cup. The main goal is to benefit the athletes.
- Actual classes distances per class will be adjusted based on entries and provided to participants by Thursday, March 12, 2026.
